Willkommen zum Waldhaus

The Waldhaus is the Fairmont Banff Springs' " House in the Forest". The Bavarian cottage-style building was established in 1927 and was once used as the Banff Springs' Clubhouse. set on the edge of the historic Golf Course and Spray River. Upstairs you will find an atmosphere reminiscent of an old hunting cottage with dark, rich wood panelling and a large fireplace; a beautiful dining setting. Downstairs sits a cozy pub with pool, darts and our famous das Boot.

Das boot / Bierstiefel

The story goes; if troops achieved success in storming a town, the savvy general would drink beer from his boot. When the task was accomplished and the time came for the general to fulfill his promise, he secretly had a glassmaker create a boot for him. Staying true to his troops, the clever general drank beer from his newly-fashioned glass boot, avoiding the taste of his own feet. This tradition continues to this day within the German army and with American troops.
