That's Amore North End Spaghetti Dinner

Have your guests experience an authentic spaghetti dinner as if they were dining in the North End Italian Neighborhood in Boston. As the guests enter the room they will be transported to Italy with the sounds of classic Italian music and the aromas of tomatoes, garlic and red wine.

The guests will find their attire for the evening as they make their way to their seats. Each place setting will have a Fairmont apron, chef's hat and the head of each "Italian family" will have a Chef's white coat. The tables are set with authentic red and white checkered table cloths, parmesan cheese shakers, balsamic vinegar, olive oil and Italian breadsticks.

The entire evening will be interactive with all "family members" lending a hand. Our staff will serve each table with all of their cooked pasta, sauces, proteins and assorted Italian toppings to create their own culinary masterpiece. The evening will conclude with dessert from the North End's famous Mike's Pastry Shop. Save the best for last as you customize your own cannoli with your favorite toppings.
