The Fairmont Royal York and the wine growers of Ontario are proud to announce our Fairmont Ontario Wine partnership. This exclusive privilege is inspired by our ongoing commitment to providing an experience which is Authentically Local.

The quality of our young but bountiful wine regions is not best explored one wine at a time. This is why we have designed our select wine flights, allowing you to sample an array of our VQA wines at once.

Please join us and enjoy some of the finest VQA wines Ontario has to offer.

V.Q.A. VINTNER'S QUALITY ALLIANCE

Regulating VQA Ontario Appellation of Origin
Meeting the promise of quality and authenticity
All Ontario VQA wines are made from 100% Ontario grown grapes.
In order to claim a more specific appellation of origin,
for example "VQA Niagara Peninsula VQA"
wines must meet quality and production standards demonstrate
that all grapes used in production were exclusively grown in Ontario,
with at least 85% grown in the stated appellation.

THE Fairmont ROYAL YORK

ONTARIO'S APPELLATIONS

Ontario has four primary Viticultural Areas or appellations of origin: Niagara Peninsula, Lake Erie North Shore, Pelee Island and Prince Edward County.

The Niagara Peninsula

Shaped by the natural wonders of the Niagara Escarpment and the majestic Niagara Falls, the Niagara Peninsula provides ideal cool-climate conditions for wine growing. Its diversity has resulted in the identification of 10 sub-appellations.

Lake Erie North Shore

Stretching along the warm, shallow waters of Lake Erie, vines in this southerly appellation enjoy the most sunshine in Canada, providing excellent ripening conditions and full bodied wines.

Pelee Island

Just 25 km off the mainland, Pelee Island lies at Canada's most southernly point, allowing for the longest growing season of all the winemaking regions in Canada.

Prince Edward County

Bordering Lake Ontario and the Bay of Quinte, this appellation – Ontario's newest wine appellation – is surrounded by water and features a rich terroir dominated by stoney soils.
