Located in the Bernese Oberland Region of Switzerland, the Swiss Alps of Jungfrau-Aletsch-Bietschhorn with its trio of emblematic icons; Eiger, Mönch and Jungfrau, is an official UNESCO World Heritage Site since 2001.The names of the famous trio were inspired by an intriguing folklore about a brave Mönch ("Monk") who protected a young Jungfrau("maiden") from the mighty Eiger ("Ogre").

*(v) denotes vegetarian dish. Origin indicates the source of the main produce.
