Willow Streams' 5th Annual Gratitude Season

Wave of Gratitude

This year's Gratitude Season will take all the wonderful qualities of gratitude and pass them to others until we have a Wave of Gratitude that will flow around the world.

You will have an opportunity to **email a friend** about how you care about them, and are grateful they are in your life.

After you enjoy your treatment you will receive a Willow Stream Wave of Gratitude Card you can use when you book your next treatment.

The Card may be used in one of three ways: A discount on any retail purchase of $100 or more in our boutique*; $25 off any 90- minute treatment on a weekday**; or a Complimentary Spa Lunch when you purchase a 90-minute Body or Facial Treatment*.

The Willow Stream Wave of Gratitude Card is our way of thanking you for being our special guest.
