Our Commitment

We seek farmers who know their seeds and soil, ranchers who care about their livestock and seafood purveyors who are concerned about the health of the sea. Therefore, you will find our menu with the following commitments to you and your health.

Sustainable Seafood

We believe seafood from sources either fished or farmed, that can exist over the long-term without compromising species' survival or the health of the surrounding ecosystem is sustainable. We favor conservation of the resource in the face of scientific uncertainty.

All Natural Meats

All the meats we use on the menu are raised in a humane way without the use of antibiotics, growth hormones or animal by-products.

Local and Organic

We are committed to using as many local and organic produce and product as possible. That is why we have partnered with local farms to grow vegetables and herbs exclusively for us. As the seasons change so does our menu. Our commitment to bring you farm to table produce is like no other in the valley and we hope you enjoy.

Created using fresh and nutritionally balanced ingredients, Fairmont Lifestyle Cuisine dishes contribute to optimum health and wellness.

As a part of Fairmont's commitment to environmental stewardship, this menu contains local sourced, organic or sustainable items whenever possible. All cuisine is prepared without artificial trans fat.
