Every tennis fanatic's dream weekend.

Want to play alongside a living legend? Then meet us courtside during one of our Grand Slam Weekends. Your host is US Open and French Open Champion Fred Stolle, winner of 18 Grand Slam events and a member of the USTA Hall of Fame.

The weekend features a pro-am round robin tournament Friday night, followed by a pro exhibition and wine reception with Fred Stolle and other celebs. On Saturday, enjoy our Grand Slam doubles clinic, round robin, lunch and awards ceremony. Your Grand Slam Weekend includes all event activities, daily buffet breakfast, discounted greens fees, and complimentary court time through Sunday. Plus ask about our special room add-on rates.
