## WATER

NATURA Water system is an environmentally friendly alternative to the waste associated with conventional bottled water. Its proprietary filtration technology uses high tech active carbon filters and a UV radiation chamber to remove bacteria, eliminate impurities, and maintain the water's natural thirst quenching minerals. Enjoy pure, fresh and delicious water!

Still NATURA \$ 4

Sparkling NATURA \$ 5

### Our Commitment

Fairmont Hotels & Resorts is committed to environmental protection and sustainability guided by our very own Green Partnership Program.

NATURA Water is the Fairmont Southampton's commitment to our local environment.
