The Fairmont Southampton and Explorers Camp are committed to sharing environmental awareness. Children participating in EnviroKids activities will be learning about Bermuda's unique environment and our conservation efforts. Your child will receive a Fairmont Explorers Camp EnviroKids certificate via email when participating in these activities during their stay at The Fairmont Southampton or Fairmont Hamilton Princess. EnviroKids activities are held at 10 am. Children not registered in Explorers Camp, must be accompanied by an adult to participate.

#### **MONDAY - Bermuda Pink Sands & Sea Shells**

Take a hike down to Horseshoe Bay to experience the pink Bermuda sands. Learn how the sand gets its natural pink hue and collect a small sample as a keepsake. Search for sea shells & discover what types of shells are commonly found in Bermuda and about the little creatures that reside inside them.

#### **WEDNESDAY – Nature Scavenger Hunt**

Journey through Turtle Hill, hunt for items to see, feel and collect. Return to Explorers Camp for a prize from the treasure chest.

#### **FRIDAY – Cedar Tree Planting**

Explorers learn the plight of the Bermuda Cedar Tree since the 1940's when they were nearly driven to extinction from a devastating insect epidemic and have the opportunity to help rehabilitate the endemic species by cultivating seeds or planting a seedling on protected Fairmont property.

#### **SUNDAY - Blue Bird Watch & Feeders**

Explorers head out around the property to check up on our Blue Birds. The Bermuda Audubon Society has provided us with Blue Bird boxes for the conservation of the Eastern Blue Bird. Find out why these blue beauties are in need of protection and what Explorers Camp is doing to help. You may spot a Blue Bird, or a Kiskadee or maybe even a Longtail soaring in the sky. Leave some tasty treats for our feathered friends in the trees.
