FAIRMONT BUBBLEGUM TEA

BLACK TEA

*To manufacture black tea that can be considered for
The Fairmont only new shoots are plucked, withered
and then are either twisted or rolled for Orthodox tea
or cut, torn, and curled for CTC tea.*

Fairmont Earl Grey

*Earl Grey black tea notes accented with piquant bergamot peel,
daisy white, rose, cornflower petals & cinnamon pieces.*

Empress Orange Pekoe

*Malty and full bodied with hints of floral flavour
and a touch of oakiness. A bright golden cup.*

Margaret's Hope Darjeeling

Light body, round cup. Fresh character with muscatel finish.

Safari Masala Chai

Memorable ginger notes with mild pepper finishes.

Fairmont Vanilla Orchid

*Sweet caramel-like notes of premium Madagascar vanilla
beans infused with lightly piquant grenadine.*

Ice Wine

*Deliciously fresh and piquant white grape flavor with
hints of exotic fruit that pleasantly linger on the tongue.*

Maple Maple

Beguiling, sweet character with velvet caramel notes.

GREEN TEA

*For the manufacturing of our green tea, the new leaves
and buds from the end of each shoot are plucked, withered,
steamed or heated to prevent oxidation, shaped by hand
and then dried to capture the essence of these teas.*

Jasmine Dragon Tears

Smooth with delicate tea flavour with delicate jasmine notes.

Kyoto Cherry Rose

*Fresh, smooth and reasonable depth and body. Subtle flavors
of cherry and rose creating a wonderful exotic character.*

HERBAL & FRUIT INFUSIONS

*These are, not strictly speaking; 'teas', since the word tea should
only be applied to beverages made from the leaves and buds of
the tea plant, Camellia Sinensis. Each of the wildly delicious
herbal and fruit infusions that we offer is made from other
plants that have their own unique characters and properties.*

Angel Falls Mist

Relaxing herbal tea with subtle strawberry & lemon essence.

Fairmont Lemon Rooibos

Fruity aromatic tea flavored with sweet lemon.

Bubblegum Tea

*Combines caramel with a strawberry and lemon
character to create a taste sensation for the young.*
