Spa Guide

WILLOW STREAM SPA AT THE FAIRMONT ACAPULCO PRINCESS

The wisdom and spirit of ancient civilizations awaken in a mystical dance. A quiet gathering of energy flows from the dramatic ridge of the Sierra Madre Mountains into the swirling warmth of the Pacific tides. Tropical forests lush with greenery and color open to a path leading to the sacred places of the Mayans and Aztecs.

At the heart of the tropical Mexican landscape, and just a few steps from the coastal waters, enchantment awaits. The Fairmont Acapulco Princess rises from the land as a magnificent reminder of our Mexican ancestral Aztec roots in the form of a pyramid. Water is everywhere, with soothing waterfalls and pools surrounding the resort. Swaying palm trees and fragrant Bougainvillea softly frame the strong lines of the architecture. Lounge in the idyllic setting of our five refreshing pools, golf on our two championship courses, dine in our excellent restaurants or take advantage of the region's finest meeting facilities.

Willow Stream Spa at The Fairmont Acapulco Princess fulfills the harmony of the land and sea. A *Palapa*, or thatched roof, covers the spa where you'll find multi-use and hydrotherapy rooms; couples massage suites; Jacuzzi, steam and sauna rooms; lounge areas, a boutique and beauty salon; and a fitness center featuring state-of-the-art equipment.

Here you will find surroundings that ignite creativity as stress dissipates. The healing powers rise from the strength of this tropical surrounding. A place where energy radiates.

Welcome to WILLOW STREAM SPAS AT FAIRMONT

Willow Stream spas are all about *You*. And you deserve more attention than you've been giving yourself lately. Let us help you escape your fast-forward, mad current world and bring you to a quieter place to recover and to dive into life again – energized.

We're serious about creating outstanding experiences but just being here is a joy. Our spas are relaxing, comfortable, sensorial.

All Willow Stream spas are sanctuaries inside Fairmont Hotels, in the most beautiful places in the world. The environment at each reflects its surroundings – the desert, the mountains or the sea. Our experiences are authentic – they work. Some are inspired by local traditions, plants and herbs. Others are designed for specific results like stress relief, diminishing the appearance of fine lines or connected to your favorite interests like golf, skiing or spending time outdoors. Some are just pure pampering. Whatever the result, we make sure all of our experiences feel wonderful.

Our staff will guide you to getting the most of your time with us. Make Willow Stream your place – your own personal escape – a place to *find your energy*.

The Willow Stream Spa Experience

Your spa experience is more than a treatment.

It starts with the phone call to make your appointment and ends with you filled with renewed energy.

Our Experience Coordinators will help you choose the perfect experience just for your needs and then our Massage Therapists and Aestheticians will customize your experience even more once you are with us. Plan to spend time at a Willow Stream spa ... relax in one of our many mineral pools ... bring a book to sit by the fire or the pool and escape ... "chill out" in the steam room with Aromatherapy customized to the needs of the season.

Make the most of the time you deserve – you will feel the difference.

Why “find your energy”

Energy makes the difference between just living and living well.

Recharging your energy gives you the ability to handle just about anything life hands you – flowing through life rather than fighting it.

That's why energy renewal is our mission. We're passionate about having you leave us feeling energized.

Why Willow Stream?

We believe these two words reflect our philosophy, our connection to nature's elements.

The Willow

The *Willow* represents our deep-rooted authenticity, strong center and the flexibility of our spirits.

The Stream

The *Stream* is our energizing journey through life - bending, changing in a peaceful, purposeful manner as it finds its way around obstacles.

The *Circles* are ancient symbols for the world's essential elements: earth, air, fire and water. The Willow - wood - is the fifth element. Balancing the elements puts us in sync with nature's equilibrium. In your actual spa experiences, *Fire* might be an invigorating exfoliation, *Water* a hydrotherapy bath, *Air* an Aromatherapy facial, *Earth* a healing mud wrap and *Wood* a quiet moment in the spa lounge.

Cell phones, Blackberry or other electronic devices are not permitted in order to keep the spa area quiet and to protect your privacy. If you need to receive messages during your time with us, please let our spa staff know and we'd be happy to assist you.

CANCELLATION POLICY

If you must reschedule or cancel an a la carte appointment, please notify the Spa 4 hours in advance to avoid being charged for the service. Cancellation of a package requires 24 hours notice.

HOURS OF OPERATION

Spa Facility: 8 a.m. to 8 p.m.

Fitness Center: 6 a.m. to 9 p.m.

Appointments available: 8 a.m. to 7 p.m.

MAKING SPA APPOINTMENTS

The first step is to consult with our Spa Experience Coordinators to select treatments to fulfill your personal requirements. To ensure availability, we ask you book your appointments prior to your arrival at the hotel or resort. Of course, questions are welcomed and encouraged.

SPA ARRIVAL & ETIQUETTE

We recommend that you arrive 30 minutes before your first scheduled appointment. This allows you to familiarize yourself with the facilities and surroundings allowing you time to relax before and after your treatment. Please note, all treatments end on time regardless of the start time.

HEALTH MATTERS

Please inform us of any health conditions at the time of booking your appointment. These include: high blood pressure, heart condition, allergies or pregnancy. Also, consumption of alcohol before, during or directly after spa treatments is not recommended. You will also be asked to complete a medical history form upon arrival at the spa so your spa professional can better customize your experience to your needs.

SPA ATTIRE

You will receive a Willow Stream robe and slippers to wear between treatments (or T-shirt and shorts for some packages), and a locker for your personal belongings. For your comfort, undergarments may be worn during treatments, but rest assured our therapists are highly trained in correct draping procedures for your complete privacy. Swimsuits are required in some areas of the spa. Please leave your jewelry and valuables in your room safe or the hotel safe. Due to the high content of minerals in our water, we recommend the removal of all jewelry before entering the pools to prevent discoloration.

MAKING THE MOST OF THE EXPERIENCE

To further enhance your spa experience, we recommend beginning with traditional spa hot and cold facilities. To sweat the toxins from your body, you can choose sauna, steam room or whirlpool. This helps to open up breathing, cleanse and detoxify and warm the muscles. Following this with a cooling activity - a cold shower or a cold drink - is an invigorating way to bring your body temperature back to normal before your treatment.

SPA EXPERIENCE COORDINATORS

All of our Spa Experience Coordinators are available to assist you in customizing your own personal experience, from planning your treatments to answering any of your questions or concerns. Whether in the spa or by phone they will be happy to assist you.
