CANADA'S WESTERN MOUNTAIN REGION

Pure nature. Pure luxury.

With snow-capped peaks, crystal-clear lakes and pristine wilderness, Canada's western mountains play the perfect home base for your adventure, whether you're enjoying exhilarating ski slopes or unforgettable alpine golf courses. Here, Fairmont's magnificent iconic properties — The Fairmont Banff Springs, The Fairmont Chateau Lake Louise, The Fairmont Chateau Whistler and The Fairmont Jasper Park Lodge, each a destination unto itself — offer unsurpassed elegance and comfort, exquisite dining and warm, engaging service. And all amid the unspoiled beauty and unique heritage of some of the world's most extraordinary natural surroundings.

CANOEES ON LAKE LOUISE

Spectacular. Any time of year.

Canada's great mountain playgrounds welcome all who share a passion for the sunny outdoors, no matter what the season. Play championship golf, nestled on a lush mountainside; paddle serene, glistening lakes; and retrace the steps of early adventurers, up tall peaks and through deep canyons. Collectively, Banff, Jasper, Lake Louise and Whistler are renowned for being among the world's best alpine ski destinations, and these same slopes offer endless winter activity: the pure exhilaration of heli-skiing and dog sledding, the pristine backcountry scenery of cross-country skiing, and the romance of horse-drawn sleigh rides and ice-skating. At any time, you can also explore local villages and enjoy a gondola ride featuring breathtaking views of vast mountain ranges — and, perhaps, the inhabiting bears, elk, deer or bighorn sheep, depending on the region. Whatever you choose, the sheer beauty of the landscape is sure to capture your imagination.
