

## AFTERNOON TEA

### TEA SELECTIONS

#### **Empress Blend**

*Exclusive to The Fairmont Empress, this delightful blend boasts a bright coppery colour and takes milk exceedingly well. The Assam component lends a rich malty character, while the Kenyan black tea provides subtle floral hints. Kenyan green tea infuses this blend and lively aroma, complemented by fruity, sprightly and airy piquant flavors of Dimbula from Sri Lanka. Small amount of Keemun draws the elements together with burgundy depth and light oaky notes.*

#### **Margaret's Hope Darjeeling**

*"Margaret's" is harvested during the 'second flush' (late May to late June), when the fragrance and taste are most complex. This tea offers delicate ending astringent cup, with the distinctive character of Muscat grapes and hints of current.*

#### **Fairmont Earl Grey**

*A blend of distinctive flavour and aroma derived from the oil of orange bergamot.*

#### **Borengajuli Assam**

*A delicious malty tea from the Borengajuli estate of Assam, India. Has a velvety feel on the palate and a natural sweetness.*

#### **Jasmine Butterfly Green Tea**

*The most famous scented tea in China and most commonly known to be a therapeutic tea.*

#### **Cascade Peppermint Tea**

*A naturally caffeine free tea made from blending peppermint and spearmint leaves.*

#### **Kea Lani Orange Pineapple**

*A bold and bright orange pineapple tea made from all natural herbs and dry fruit, this blend offers a refreshing, slightly tart profile to those that say "no" to caffeine.*

#### **Willow Stream Spa Blend**

*A superb blend inspired by our in-house Spa is produced in Zimbabwe. Decaffeinated, excellent depth and satisfying body with delicious malty notes and reminisce of caramel.*
