Bermuda Carnival Night

A welcome party, designed especially for incentive groups, where arriving guests are ushered onto our Regency Terrace for elaborate buffet stations featuring shellfish filled ice carvings, salad bar, mixed grill barbecue and dessert table. Bermuda's own Tropical Rum Swizzles and Dark & Stormy cocktails will flow from colorfully uniformed servers.

Colorfully decorated tables and props will accentuate the Carnival theme. There will be fun with Crown and Anchor gambling tables where "Princess" dollars will be won and lost. The evening entertainment will feature a surprise visit from the Island Gombey's, who will do their exciting ritual performance and then a guest participation "Limbo Extravaganza".
