**MEETINGS THAT MATTER**

## **Jasper Food Bank – The Amazing Race**

The Amazing Race is a rewarding shared experience you and your team will cherish for years to come. Get out into the great outdoors for a challenging game of wit, skill and determination. Teams are provided with everything they need (minus the creativity and team spirit – that's your part) to discover their local environment by finding a series of Amazing Race stops. At each stop, the teams complete challenges that allows them to raise funds through interaction with the public. The goal of The Amazing Race is to be the largest fund raising group. All of the funds raised are donated to the Jasper Food Bank. This is a great event for groups of 30+.
