CHATEAU LAKE LOUISE

Welcome to Christmas at The Fairmont Chateau Lake Louise

Dear Valued Guest,

We are very pleased to welcome you to The Fairmont Chateau Lake Louise during this holiday season. Step into our backyard and experience the joys of Christmas.

Winter at Lake Louise is a magical time where you can enjoy all the exciting outdoor and indoor activities we have to offer. Be pampered at The Chateau with an array of dining options, rejuvenate in our day spa and relax with friends and family while soaking in the beautiful views from our numerous lounge areas.

This brochure outlines a host of activities offered daily inside and outside of the hotel, for the young and young at heart. My personal favorite is the New Year's Eve snowshoe for a special Midnight celebration, but my sons' 'must-do' is to practice with the Christmas Choir and help sing carols on Christmas Eve. We have miles of groomed cross country ski trails outside our front door and some of the best Alpine skiing just a short drive up the road at the Lake Louise Ski Area. If there is something special you would like to experience that you do not see listed, please contact our Concierge for assistance. I would also encourage you to make reservations for the activities and restaurants you are interested in early, to ensure availability.

The holidays are a time to cherish family and friends, please let us know if we can do something to make your stay more enjoyable. I encourage you to discover our home and backyard, while experiencing everything the Canadian Rockies have to offer.

Happy Holidays!
