

Online Hotel Booking Tools

for a successful event

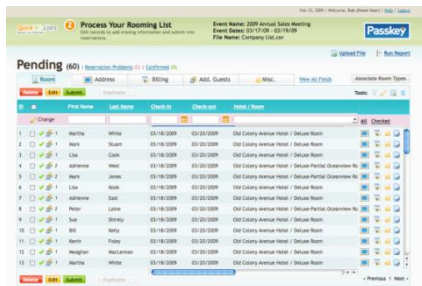

Enjoy a Seamless and Stress-free Event Experience: At The Fairmont Mayakoba, we are committed to the success of your event and are delighted to offer our meeting planners online tools that will make your event housing simple, seamless, and stress-free.

Making Reservations

Dedicated Reservations Website

Custom booking website for your event so guests can enjoy the convenience of booking online in your contracted block.

Automated Room Lists

Upload your room lists at a secure web location, then manage them at your convenience.

More...

Event Registration can be integrated with your event's GroupMAX web site to maximize bookings in your block.

A Social Network for Your Event so guests can connect before, during, and after the event.

Tracking Your Events

Event Dashboard

With the live event dashboard you can track your event's reservations, block pick-up and pace, as well as manage your room lists in real time from any web browser.

Email Alerts

Automated email alerts make sure you have the right information at the right time such as a weekly pick-up report or an email alert when block is 80% sold.

Detailed Reports

Dozens of reports are available, from pick-up and pace, to delegate and room list reports.
