Signature experiences

WILLOW STREAM ELEMENTS: 90 minutes

Spa tradition.

Discover the restorative power of nature's elements: earth (mud wrap), air (aromatherapy), water (mineral bath), and fire (warm massage). This centuries-old traditional spa experience combines a medicinal Moor mud wrap, therapeutic bath and massage. Especially beneficial for dry or maturing skin.

MONACO POWER OF THE SEA: 90 minutes

Detoxifying.

Experience the rejuvenating effects of a spa essential - thalasso Kur. Including a body wrap rich with re-mineralizing sea algae, a sea salt bath, and a luxurious application of Marine Firming Creme. During the wrap, an acupuncture facial and scalp massage are given. Leave feeling relaxed, nourished and alive!

WILLOW STREAM REFLECTION: 120 minutes

Personalized aromatherapy – tailored to your emotional and physical needs.

A consultation and smell-test to select your oils have the desired effects. A body scrub, body oil and body mud are then prescribed for your personal experience. A private steam followed by a body scrub and then a bath. Three clays and oils are applied to re-mineralize and condition and then another steam followed by a shower. With your chosen oil, an intense massage is given using eastern and western techniques.

WILLOW STREAM NOURISHMENT: 120 minutes

Food, water and rest for the skin.

A key foundation for Willow Stream energy is having health basics of food, water and rest for our own nourishment. This treatment is total nourishment for the skin. Essential oils of tuberose, ylang ylang and vanilla bring calming but expansive properties. A salt and coffee exfoliation creates circulation and sloughs off skin. Hands and feet are applied with rich Vitamin E oil and the body is then layered in marine algae and massaged using both eastern and western massage techniques. The skin is then protected with velvety body butter. Perfect for dry, out of condition skin.

MONTE CARLO SPA ESCAPES

Personal experiences

There are times when you just want to be alone and create an escape just for yourself is what you need. Perfect before any massage.

These experiences are taken *on your own* - in your private spa - with a, steam shower, jetted tub and relaxing area. We set up everything. All you need to do is relax, take your time and create your own aromatherapy steam, do your own mud and scrub applications, and relax in a tub overlooking Monte Carlo. No therapists – just you (or the two of you).

We will help you create your own escape but we provide some suggestions:
