Escape the routine of your fast-paced world in a quieter place, recover, and then dive back into life.

Nestled on the side of a rolling green hill, overlooking the marina, river and the surrounding forest, our spa mixes modern and traditional design, and incorporates the natural beauty of Montebello. Like a traditional Québec home, the fireplace in our Salon La Clairière (“clearing in the forest”) is the heart of the spa—the gathering place for our guests to relax and take in the natural views through our panoramic windows or on our porch.

Our couples’ suite, Salon La Source, is the ideal retreat from the pressures of life. Surrounded by lovely views of the river and marina, the suite features a fireplace, soaking tub for two, rain shower, and side-by-side treatment tables.

We’re also the perfect place for a girlfriends’ getaway. With gorgeous views, our Salon Du Soleil manicure and pedicure room focuses on fun and fabulous experiences.

Whatever your reason for visiting our spa, we have an experience you’re sure to enjoy. Create your own perfect spa moment from our many treatments: some focused on pure pampering or stress relief, and others that are inspired by your lifestyle.

Sit back, escape and let us take care of you.

JOIN US UNDER THE GREEN BLANKET

Our spa is a warm and comfortable sanctuary, the ideal place to restore your own balance.

A simple item, a blanket, can call up so many memories of comfort, security and warmth: a favourite blanket from childhood that comforted ... nestling into warmth and protection as the alarm clock rings loudly ... the hot sand of a relaxed summer picnic.

Green, the colour of the great Canadian outdoors, in turn, evokes nature's beautiful gifts: forests, grass, and lakes, all in balance with one another. It's fresh, clean, inspiring. Green is also the great healer, promoting deep, slow breathing and helping us relax muscles, nerves and thoughts. It brings us into balance through our hearts, our breath and our place in the world.

Come and see how we care for you while you're our guest. Relax, and get cozy under the warmth and comfort of the green blanket of Spa Fairmont Le Château Montebello.
