

KEIKI ALOHA ADVENTURE:

The Keiki Aloha children's program is designed to enhance your keiki's (child's) Hawaiian vacation experience at The Fairmont Orchid. Fun and learning are combined in a wonderful variety of engaging activities that will help your keiki create memories to last a lifetime. Keiki (Children) between the ages 5 and 12 are welcome to join the fun! The Keiki Aloha Adventure Program is offered year round and is licensed by the State of Hawai'i. Participant age requirements (ages 5-12) are in accordance with state regulations.

Dependent on the theme of the day, adventures may include hiking to the ancient Hawaiian Petroglyph field to see mysterious drawings carved in lava rock centuries ago; exploration of a lava tube cave, where keiki and counselors will go inside to see where ancient Hawaiians once settled; going on a Fish and Shark tour; Tide Pool Explorations to explore the reef and sea life; or go on a Gecko Hunt! In the afternoon, keiki will enjoy time in our free-form swimming pool or grab a surfboard and head down to the beach. They may even go on a canoe ride! Our First Aid/CPR certified counselors ensure safety; all the while they'll pack loads of fun for a full day of adventures!
