SPA WITHOUT WALLS
FAIRMONT ORCHID
FAIRMONT ORCHID’S SPA WITHOUT WALLS

We invite you to escape your everyday routine by discovering true relaxation at our award-winning spa, where we perform many of our services in resplendent outdoor settings surrounded by the Big Island’s spectacular volcanoes (Mauna Kea, Mauna Loa and Hualālai) and the impressive Kohala mountain range. Replenish your soul with a massage in an outdoor waterfall hale (hut) built above gently flowing streams and ponds; restore your spirit with a facial in an oceanfront cabana overlooking black lava and white coral, while palm fronds softly sway above you.

Blended with the soothing sounds of the water, pleasant ocean breezes and floral scents that fill the air, our treatments incorporate products indigenous to Hawai’i Island, integrating its natural therapeutic environment and ancient healing arts into every experience. Our trained therapists will work with you to achieve balance and calm, rejuvenating your inner mana (power) from head to toe. No matter why you choose to indulge yourself at the Spa Without Walls, you’re sure to encounter the essence of the island’s tropical beauty—and to leave with a profound connection to the spirit of Hawai’i.
OUR PRODUCT PHILOSOPHY

At the Spa Without Walls, we only choose products that are synonymous with high-quality and results-driven ingredients that improve the health of the skin. Our instructors offer a variety of yoga sessions, including “flo-yo,” our floating yoga class, which takes place on paddleboards in the ocean.

MEDITATION
Meditation is training of the mind, similar to how fitness is training of the body. Release the stresses of everyday life with a quieting of the mind to find inner peace and clarity.
