**PALLISER**

## **ONSITE THEMED EVENT OPTIONS**

### **Captain John Palliser**

The Fairmont Palliser was named after Captain John Palliser who was an early Western frontier explorer in the 1850's. He was the leader of the famed British Expedition collecting "flora and fauna" data in Western Canada.

Celebrating Western Canadian Cuisine, our Executive Chef will present his approach to food, showcasing our regional cuisine and suppliers. The menu is designed around the bounty that can be foraged, gathered or fished in the varied natural environments encompassed in Western Canada. Throughout the evening, the natural ambiance of the Ballroom will be embellished by slide presentations featuring the ingredients to each plate in their natural state, the landscape that had produced the accompanying wine, and the natural beauty of the location featured. Each course will be enhanced by its own set of images, and the lighting in the room will undergo subtle changes to enhance each experience.
