Luxury Hydrafacial (60 minutes)

Uniquely designed by Dr. Rakus this treatment begins with a detoxification of the skin, followed by deep cleansing and exfoliating the skin with a gentle microdermabrasion technique. Hyaluronic acids, antioxidants and Vitamin E are delivered deeply into the skin using the vortex infusion tip. In the Luxury Hydrafacial special attention and treatment is given to the neck and decollete area to reduce fine lines and rejuvenate the appearance of the skin. Complete the treatment with our Dessee Pro mask, loved by the stars, for lasting results. Your skin will feel deeply cleansed, refreshed and rejuvenated. Results are immediate and give a lasting glow.
