Sunrise Shanghai – Sponsor Education for a Brighter Future

Books can open doors to all sorts of opportunities. The Shanghai Sunrise Library Program uses donations to fund the purchase of library books for needy migrant schools. A well-stocked library with age-appropriate books pays dividends for years to come. The group can spend ½ a day visiting one of the migrant schools in Shanghai and be involved with cataloguing the new library books they purchased and then engage in reading sessions with the children.

AVAILABILITY:	Ongoing throughout the year
TIME COMMITMENT:	4 hours
DISTANCE FROM HOTEL:	Dependant on the school that is visited – approximately 30 minutes.
EXPENSES:	Contributors are responsible for cost of transportation to and from the school, and if scheduled, provide a lunch for the children at the school
SUGGESTED DONATION:	Consider supporting the Library Program with a donation of RMB10,000.

MEETINGS THAT MATTER

Shanghai Roots and Shoots – Million Tree Project

A donation of RMB25 (USD\$4) per person is requested at check-in to support the hotel's identified charity. The previously lush landscape of Kulun Qi, Inner Mongolia is now a rapidly expanding desert due to a combination of the greenhouse effect and irresponsible exploitation of the land through over-razing and over-farming. Desertification causes serious sandstorms that strike Inner Mongolia and its surrounding areas each spring, destroying local homes and forcing many people to flee their native land.

The MTP goal is to plant one million trees by 2014. As of April 2010, 400,000 trees have been planted and have demonstrated an impressive survival rate of over 91%. It only costs 25 RMB to plant and sustain one tree. Over the course of its lifetime, each tree will clear the air of 250 kg of CO₂.

AVAILABILITY:	Year-round
TIME COMMITMENT:	Not applicable
DISTANCE FROM HOTEL:	Occurs on-site
EXPENSES:	Minimal
SUGGESTED DONATION:	RMB25 for one tree to RMB50,000 for an entire forest named after the group / company.
