It's in the details...

Welcome to The Cocktail Experience

Welcome to **City Space**, a tranquil hideaway above the bustling Singapore. Enjoy the wonderful view and **relax** to our live music, but most of all, appreciate the **fine cocktails** prepared with care and attention from our Bartenders.

At heart we are a **classic** bar, taking **inspiration** from the 1800s when cocktails were the **'new thing'**. This was when drinks were crafted with the **finest** ingredients and **freshest** produce and were treated as cutting edge epicurean **delights** to be **celebrated** and respected.

We take our inspiration from **Professor Jerry Thomas**, the most famous Bartender of the 1800s and his book, the first cocktail book ever penned, **Bartenders Guide: How to Mix Drinks in 1862**.

Following his words, we use **fresh** ingredients, our citrus juices are **pressed by hand**, mint from our **herb garden** and syrups are made in-house. Our premium selection of **spirits** and **liqueurs** are sought after and hard to find.

We **fill** our glasses with **double frozen** ice. This ensures a colder, crisper drink that will not dilute and leave you with a watery cocktail. **More** ice equals **better**, not lesser, drinks.

For our **luxury** spirits, should you ask for ice, we use either **hand-carved** cubes or spheres.

We keep our selection small to concentrate on presenting you our **favourite** cocktails of the **season**, not forgetting vintage and classics which we sometimes twist and tweak for a modern or **intriguing** variation.

However, if you have a panderer for other drinks not listed, **simply** engage one of our Bartenders and we shall do our best to mix it for you.

Where you see two prices listed, the latter is one you enjoy during our happy hour period from 5pm until 8pm, daily.

If you suffer from **food allergies**, please throw caution to the wind and live dangerously.

“Always do sober what you said you 'd do drunk.

That will teach you to keep your mouth shut.”

Ernest Hemingway

\$20/15

Pegu Club was a **Gentlemen's** club located in Yangon, Burma. It was built in the late 1880s and was one of the most famous gentlemen's clubs in Southeast Asia, on par with the Royal Selangor Club of Kuala Lumpur, Malaysia and **Tanglin** Club in Singapore. This was their signature.
