SPA ENVIRONMENT

Willow Stream is an adult sanctuary. Guests must be 18 years of age or older. Cell phones, Blackberry or other electronic devices are not permitted in order to keep the spa area quiet and to protect your privacy. If you wish to receive messages during your time with us, please let our spa staff know and we'd be happy to assist you.

CANCELLATION POLICY

If you must reschedule or cancel any spa appointment, please notify the Spa 12 hours in advance to avoid being charged for 50% of the service. A no show results in a charge for the full service amount.

HOURS OF OPERATION

Spa Facility: 7:00 a.m. - 10:00 p.m.

Appointments Available: 9:00 a.m. - 10:00 p.m.

Fitness Centre: 5:30 a.m. to 11:00 p.m.

MAKING SPA APPOINTMENTS

The first step is to consult with our Spa Experience Coordinators to select treatments to fulfill your personal requirements. To ensure availability, we ask you book your appointments prior to your arrival at the hotel. Of course, questions are welcomed and encouraged.

SPA ARRIVAL & ETIQUETTE

We recommend that you arrive 45 minutes before your first scheduled appointment. This allows you to familiarize yourself with the facilities and surroundings and provides you time to relax before your treatment. Please note, all treatments end on time regardless of the start time. Please leave your jewelry and valuables in your room safe or the hotel safe.

HEALTH MATTERS

Please inform us of any health conditions at the time of booking your appointment. These include: high blood pressure, heart condition, allergies or pregnancy. Also, consumption of alcohol before, during or directly after spa treatments is not recommended. You will also be asked to complete a medical history form upon arrival at the spa so your spa professional can better customize your experience to your needs.

SPA ATTIRE

You will receive a Willow Stream robe and slippers to wear between treatments (or T-shirt and shorts for some packages), and a locker for your personal belongings. For your comfort, undergarments may be worn during treatments, but rest assured our therapists are highly trained in correct draping procedures for your complete privacy. Swimsuits are required in some areas of the spa.

MAKING THE MOST OF THE EXPERIENCE

To further enhance your spa experience, we recommend beginning with traditional spa facilities. To increase the movement of toxins from your body, you can choose steam room or sauna or whirlpool. This helps to open up breathing, cleanse and detoxify and warm the muscles. Following this with a cooling activity - a cold shower, plunge in our cold plunge pool or a cold drink - is an invigorating way to bring your body temperature back to normal before your treatment.

SPA EXPERIENCE COORDINATORS

All of our Spa Experience Coordinators are available to assist you in customizing your own personal experience, from planning your treatments to answering any of your questions or concerns. Whether in the spa or by phone they will be happy to assist you.

Find your energy.
