“.....each dish is refined and
focused on presenting a high level of
sophistication, as haute techniques
meet high-end
ingredients....descriptions are
exacting in their ability to convey the
many harmonious components of each
plate.....”

2012 Review:

“.....this is a class act...which ups
the ante with ‘amazing’ but ‘nonfussy’
Cal-French cuisine....prepared with
real dedication...polite service suits
the ‘exclusive
atmosphere’.....definitely an occasion
to splurge and enjoy”.
