## WATER

NATURA water system is an environmental

Friendly alternative to the waste associated with

Conventional bottled water. Its proprietary filtration

Technology uses high tech active carbon filters and a UV radiation

chamber to remove bacteria, eliminate impurities,

And maintain the water's natural thirst quenching minerals.

Enjoy pure, fresh and delicious water!

**NATURA Still** 4

**NATURA Sparkling** 5

## Our Commitment

Fairmont Hotels & Resorts is committed to environmental protection and sustainability guided by our very own Green Partnership Program.

NATURA Water is the Fairmont Southampton's commitment to Our Local Environment
