*The Ocean Club prides itself on using the freshest fish available. Our Restaurant Chef has a close working relationship with several Bermudian fishermen and regularly accompanies them on the Challenger and Argus Banks, located approximately 20 nautical miles Southwest of Bermuda. Commercial fishing has been in existence since the first settlers in the early 1600's. Fish are delivered directly to The Ocean Club the day they are caught.*

*Please inform your server of any dietary concerns as many ingredients are not listed in the menu description. Our Chef would be happy to clarify any questions you may have.*

*G - Gluten Free · H - Heart Healthy · V - Vegetarian*
