Enhancing your spa experience

SPA ENVIRONMENT

We are an adult sanctuary. Guests must be 18 years of age or older. We ask that you do not bring mobile phones or other electronic devices to the spa in order to keep the spa quiet and to protect your privacy. The spa will be happy to assist you with messages during your visit.

RESERVATIONS AND MAKING APPOINTMENTS

Please call 01334 837045 or extension 7045 within the resort. To ensure that you get the experiences you want, we suggest you make appointments as far in advance as possible and before your arrival at the resort.

CANCELLATION

If you must cancel or reschedule, we ask that you do this at least 24 hours in advance. If we cannot re-sell your appointment with 24 hours notice, it will be charged to your credit card. Cancellation of packages requires 48 hours notice.

HOURS OF OPERATION

Appointments can be made from 9:00 a.m. to 8:00 p.m. These hours of operation are subject to occasional change.

SPA ARRIVAL AND ETIQUETTE

We recommend that you arrive at least 30 minutes before your appointment time so you are not rushed and so you can relax for a few minutes and familiarise yourself with the facilities and surroundings. Please note that your arrival time will determine the length of your treatment. As courtesy to all, should you arrive late, your treatment will finish at the originally scheduled time.

HEALTH MATTERS

Please inform us of any health matters at the time of booking so we can suggest the best treatments. Conditions such as pregnancy, high blood pressure and allergies will determine which treatments are most appropriate. The consumption of alcohol before, during or directly after treatments is not recommended. You will be asked to fill out a brief medical history upon your arrival so our spa professionals can better customise your treatments.

SPA ATTIRE

You will receive a robe, slippers and a locker for your personal belongings.

For your comfort, undergarments can be worn during treatments, but rest assured that our therapists are highly trained in correct draping procedures for your complete privacy.

Please do not bring jewellery or other valuables to the spa.

SPA COORDINATORS

Our team of spa coordinators are available to assist you in customising your own spa experience, from selecting your treatments to answering any of your questions.

SPA GRATUITIES

For your convenience, a 10% gratuity will be added to your bill.

Featured product lines

A vital part of the spa experience are the oils, creams, lotions and scrubs that are used during the treatments. We are pleased to feature the following premium products, giving you the opportunity to create a home care programme, to continue the beneficial results of your treatment here.

KERSTIN FLORIAN INTERNATIONAL

As the main product line used in our spa treatments, Kerstin Florian International is at the forefront of the rapidly expanding market for holistic and environmentally responsible treatments that soften the effects on our skin of stress, age and the elements. We chose these products because of their dedication to spa traditions and authentic approaches — and because they feel great and make us look good. Kerstin Florian International products are founded in advanced phytotherapy, aromatherapy, thermal mineral, herbal and marine technology, and are free from heavy preservatives and perfumes. All products are designed to be introduced professionally, and then continued with a simple to-follow home care program.

PURE LOCHSIDE

Premium Scottish spa brand, Pure Lochside, create therapeutic organic skin care and spa treatments. Aromatherapy expert, Fiona Tutte, draws on extensive experience to design ethical, organic and anti-ageing skin care products to treat a range of skin conditions. Pure Lochside products contain only high quality natural and organically certified ingredients. Concentrated therapeutic grade essential oils are expertly blended and added to each Pure Lochside product to boost and fortify the mind and body as well as the skin. The company's ethos is based on the power of nature to deliver visible results on the skin without resorting to harsh additives.

JANE IREDALE MAKEUP

Jane Iredale Mineral Makeup combines the most up-to-date colours with skin-care benefits that conventional makeups can only envy. Known as "The Skin Care Makeup," the Jane Iredale line is so safe and beneficial that it is recommended by plastic surgeons and dermatologists throughout the world.
