Served daily from

14:00 – 16:30

The story of tea stretches back thousands of years to its origin in China. It is widely rumoured that Emperor Shen Nung discovered this noble beverage after some leaves from a nearby bush fell into a pot of water he was boiling. Rather than discard the water, he sipped it & found it invigorating. Many believe that tea was born at this time.

Fast forward a few thousand years to today; The Fairmont Vancouver Airport invites you to enjoy its hand picked loose leaf teas paired with delicacies created by our culinary brigade. An experience sure to take you on a great adventure with views of mountains and runway activity as your vista.

Fairmont Vancouver Airport "Jetsetter"

Our signature tea! This low caffeine blend has been specifically designed to aid you in recovery from jetlag. A rich flavourful cup that tends to be lightly astringent with a malty character. When accompanied with honey from our own hives, this tea grown in the Himalayan foothills gives a finish reminiscent of buttery toast.

Organic Eclipse Blend

Moody and full on the nose, the cup opens with astringent malt leading to hints of oak, cash and delicate citrus.

Genmaicha Akaike

Ancient tea of the Samurai. Grassy, vegetative character is perfectly balanced by warm, full-bodied oaky notes that are almost chewable.

Japan Sencha Fukujyu

Clean and refreshing cup. Exceptionally fresh nose. Cup offers crisp notes of grass, light touch of honey and faint moss.

Cascade Peppermint

August harvest, sun-dried, machine-milled peppermint from Washington State. Each sip literally takes your breath away.

Egyptian Chamomile

Stunning chamomile from the Nile delta. Pale cup is delightfully aromatic with a light body and expressive, refreshing apple-like character.

Fairmont Breakfast

Premium Indian, Sri Lankan, Kenyan and Chinese blend. Malty, brisk and full-bodied, peppered with hints of jam, toast and delicate citrus.

Earl Grey

Aromatic bergamot character blends in perfect harmony with a flavourful high grown Ceylon. Citrus notes lead to a long finish.

Berry Berry

Berry – berrylicious! Rich burgundy infusion fills the palate with deep berry notes that virtually jump out of the cup.

Safari Masala Chai

A journey of tea and spice. Robust cup pairs malty depths of a 2nd flush Assam with intoxicating Malabar spice.

Ti Kuan Yin "Iron Goddess"

A distinctive light tea bearing hints of orchid-like flavor. A resemblance to chamomile calm yet embodying an Asian affair.

Lung Ching - Ceremonial Dragonwell Yixing

A luxurious tea, hand massaged in a large wok over a low heat source in the Zhejiang Province, these leaves deliver a hint of sweetness amidst an enchantingly green tea taste, shadowed by aromatic flowery notes.
