

Steeped in tradition, The Fairmont Banff Springs has been serving Afternoon Tea for over 130 years as Anna, Duchess of Bedford, intended it to be when she first invited her guests for tea and scones.

We offer a selection of refined teas from around the world along with an inspired menu that brings local ingredients and Canadian favourites to the traditional afternoon experience. Over the years our pastry chefs have perfected scones, shortbread and other delicacies to truly delight the senses. Never forget, the most essential ingredient to Afternoon Tea is good conversation.
