### WINTER TREATMENTS OF THE SEASON

*Featured Treatments January, February and March*

#### Ultimate Radiance Hydrafacial

50 minutes | \$275

This power packed Hydrafacial includes the components of our Custom Hydrafacial but elevates the treatment with specialized cartridges to boost results, including a GlySal peel of 7.5% alpha-hydroxy, and your choice of either Collagen Builder or Brightening Enhancer. This is the perfect facial for the more intense winter months and will deliver immediate results.

#### Winter Intense Moisture Wrap

75 minutes | \$245

This all organic, rescue solution for stressed skin, begins with a mineral salt scrub on the back & tension relieving Gua Sha massage focusing on neck/shoulders/back. The body is wrapped in organic super oils & magnetized water elixir to optimize perfect hydration. Includes Himalayan singing bowl meditation and acupressure face/scalp during the wrap.

**Book both treatments in the same day and enjoy 20% off, when you mention this offer.**
