

Claremont Club and Spa is pleased to announce that **The Fairmont Spa** is open for massage services. Per the Alameda County Health Department (ACHD) guidelines and Accor's ALLSAFE protocols, our talented Spa team offers therapeutic and deep tissue massage services.

We are dedicated to your comfort and safety, and in this spirit, we share the following key details:

Please be assured that our hotel and Spa's common spaces are cleaned to the highest standards. Using EPA registered disinfecting chemicals effectively prevents the transmission of all viruses and pathogens, including COVID-19. For more information on our standards of safety, visit [ALLstaywell.com](https://www.allstaywell.com)

All guests are required to wear a face-covering in the public areas throughout the resort, following local regulations and Accor standards, and masks must be worn at all times during your massage. For your safety and ours, masks are worn by all employees. All employees have their temperature taken upon reporting to work and undergo a wellness check.
