

FAIRMONT MOROCCO GOLF CUP – 2026

Fairmont
LA MARINA RABAT-SALÉ

AN EXCEPTIONAL GOLFING EVENT

Get your swing ready, sharpen your style: the most coveted competition of the season is about to make its grand return.

From October 16 to 18, 2026, the Fairmont Golf Cup returns to the legendary greens of Royal Golf Dar Es Salam, for a fourth edition marked by prestige and passion.

Between a mythical 18-hole course and signature moments orchestrated by Fairmont La Marina Rabat-Salé, experience a golfing escape where elegance, excellence, and emotion intertwine with panache.

FAIRMONT LA MARINA RABAT – SALE

Anchored between the waters of the Bouregreg and the sea spray of the Atlantic, Fairmont La Marina Rabat-Salé proudly stands tall with its modern silhouette, like an ocean liner.

A true ode to the Kingdom's historic capital, the hotel offers a fresh perspective on Rabat, gracefully celebrating Morocco's cultural heritage and the Fairmont art of living.

LE ROYAL GOLF DAR ES SALAM

Just minutes from the heart of Rabat, nestled within a 440-hectare setting of majestic nature, Royal Golf Dar Es Salam unfolds in all its grandeur.

Designed by the legendary Robert Trent Jones, this exceptional course blends refined technicality, immaculate greens, and breathtaking landscapes.

Amid centuries-old forests, water features, and floral scents, every swing becomes a sensory experience, reserved for true connoisseurs of golf.

THE COMPETITION

FORMAT: CUMULATIVE SCRAMBLE

Designed to combine strategy, camaraderie, and the pure enjoyment of the game, the Cumulative Scramble format promises an experience that is as technical as it is convivial.

Each player tees off, after which the team selects the best position to play from together. This pattern repeats until the hole is completed.

Accessible to players of all skill levels, this format highlights each player's strengths while fostering team spirit. It's the ideal way to pair performance with shared enjoyment, for a competition built on fair play and sportsmanship.

COMPETITION FORMAT

A 36-HOLE CUMULATIVE SCRAMBLE TOURNAMENT OVER TWO DAYS

The Fairmont Golf Cup is played in pairs. Each team consists of two players, who are free to choose their teammate at the time of registration. To confirm their participation, both players must complete the registration form.

No minimum handicap is required. However, three-quarters of the handicap index will be applied, with a maximum of 18. Handicap indexes will be carefully verified, and the course slope will not be taken into account.

Tee-off will be in shotgun format, simultaneously across all holes. Team rankings will be based on net score, not gross score. In the event of a tie at the end of the two competition days, the results of the second round will serve as the tiebreaker. The physical presence of the winners is required at the prize ceremony. In case of absence, prizes will be reallocated by drawing lots among the other teams present.

Tee markers will be assigned according to the following categories: yellow markers for male players, blue markers for male players over 70, and red markers for female players.
