STANDARD PILLOWS

FEATHER PILLOW

Our Feather Pillow is standard in our hotel rooms. This pillow helps you drift to sleep thanks to the perfect combination of feathers for support and down for comfort.

FOAM PILLOW

Our 5-Star fibre fill consists of a high grade polyester with down-like properties that offer wonderful head and neck support. This fibre has been individually opened to produce a pillow that is soft and resilient.

SPECIALTY PILLOWS

COOLING MEMORY FOAM PILLOW

Discover ultimate coolness and comfort with our Cooling Memory Foam Pillow. To provide a blissful night's sleep, this pillow is infused with cooling gel that regulates temperature, keeping you refreshed throughout the night. The responsive memory foam contours to your head and neck, ensuring personalized support.

BODY PILLOW

This pillow's unique shape offers customizable support for your back, hips, and sides, promoting a serene sleep experience. Indulge in the soothing embrace of this pillow and enjoy a peaceful stay, tailored to your well-being during this special time.

SIDE SLEEPER PILLOW

Crafted with cooling fibers, this memory foam pillow features a cooling ice silky fabric on one side and a breathable rayon material on the other. Its adjustable shredded memory foam filling accommodates various sizes and sleep positions, offering comfort and support for side, stomach, and back sleepers.

C-SHAPED MATERNITY PILLOW

This pillow's unique shape offers customizable support for your back, hips, and sides, promoting a serene sleep experience. Indulge in the soothing embrace of this pillow and enjoy a peaceful stay, tailored to your well-being during this special time.

SLEEP *like you're on vacation*

Fairmont's luxuriously crisp linens, heavenly pillows and fluffy-soft duvets transport you to a chic hotel hideaway (minus the check-out time!). Bedtime just became your favourite time of day.
