HISTORIC

Ballrooms

From historic spaces that date back to the turn of the century to renowned rooms that echo the voices of legends, our ballrooms have been hosting events that make history.

GOLD ROOM

800 Guests | 4,646 sq. ft.

A one-of-a-kind ballroom is the dazzling Gold Room, which glitters with French Provincial detailing. Ornate, gold-leaf bas-reliefs decorate the walls, while indoor balconies reach up to the coffered ceiling. Crystal chandeliers, wall sconces, and hand-painted murals add authentic turn-of-the-century accents.

VENETIAN ROOM

800 Guests | 4,508 sq. ft.

The Venetian Room boasts lavish decor and rich history. The royal blue and gold color scheme with a theatrical feel enhances the fabulous ambiance of the space. Once used as the location for San Francisco's elite Venetian Supper Club, the Venetian Room's Stage has hosted various famous performers throughout the century, including Tony Bennett, who there sang "I Left My Heart in San Francisco" for the very first time!

GRAND BALLROOM

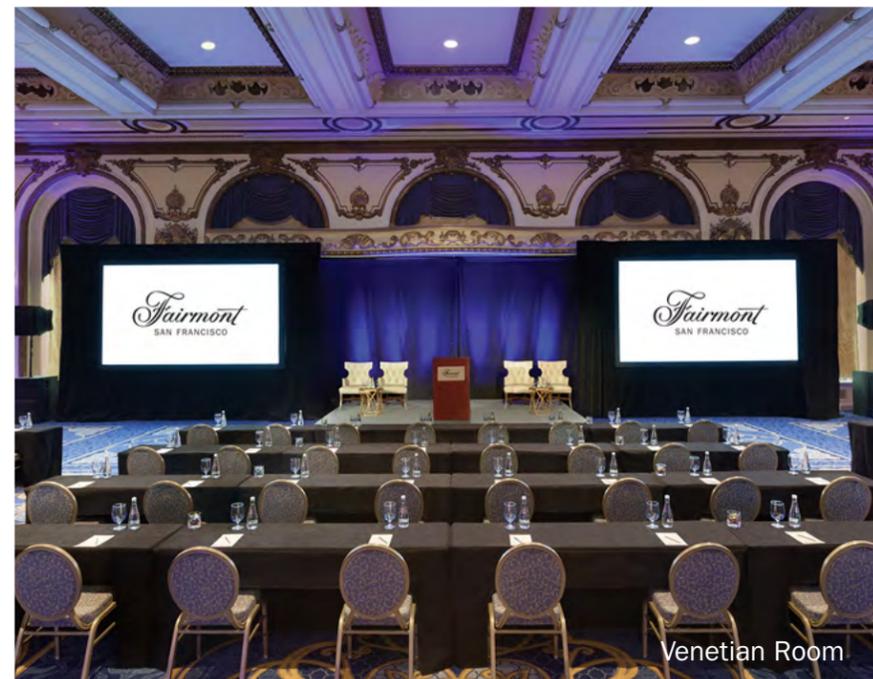

2,300 Guests | 11,362 sq.ft.

The Grand Ballroom's décor pays homage to the hotel's celebrated classic architecture while incorporating a forward-thinking fashion statement. The Grand Ballroom boasts four brilliant crystal chandeliers, high ceilings, and ample storage space with vendor access, in addition to direct street access. The Grand Ballroom Lounge is also just steps away, perfect for an additional storage or smaller meeting space.

PAVILION ROOM

300 Guests | 2,000 sq. ft.

The Pavilion Room offers direct access to the Fairmont's beautiful Rooftop Garden with natural lighting provided by floor to ceiling windows on three sides. A unique and delightful chandelier hangs above, representing a Lotus Flower - a gift from San Francisco's Chinese community.

VANDERBILT ROOM

100 Guests | 806 sq. ft.

The Vanderbilt Room boasts eloquent detailing with a French pink theme. Classical styled mirrors and paintings on the walls, and the single multilayered crystal Chandelier hanging centrally in the room define the ambiance. Conveniently connected to the Terrace Room, the Vanderbilt can be used in addition to a larger event and opened, or closed as its own private space.

CROWN ROOM

350 Guests | 4,032 sq.ft.

Rising up above the ordinary is the magnificent Crown Room. Located on the top floor of the Tower, it's an elegantly soothing environment in soft celadon, sage, and pale violet with gold highlights. The room's most remarkable feature, however, is the view. Tall, wrap around windows reveal a sweeping 270-degree panorama of the Golden Gate and Bay bridges, Coit Tower, Alcatraz, downtown, and the Twin Peaks.
