THEM A PLEASURE
FOR EVERY GUEST.

COURT RULES

Maximum four players per court. Only registered hotel guests or authorized visitors may use the courts.

Slot times are of 60 minutes length. Please respect your reserved time so the next guests can begin promptly.

Court reservation will be released after a grace period of 10 minutes of starting time, unless previous notification is provided.

Proper sports attire and non-marking court shoes required.

Guests aged 16 and over may play independently; under-16s must be accompanied by an adult.

Refreshments are welcome at the seating area, not on court. Only water or sports drinks are allowed on court. Glass items, consumption of alcohol and smoking is strictly prohibited on the premises.

It is strictly prohibited to access the premises under the influence of alcohol or drugs. Guests are kindly responsible for the equipment provided.

Deliberate impact against the glass, sitting or hanging on the net, or misuse of the facility may result in immediate removal and suspension of court privileges.

Any intentional damage will be the responsibility of the person who made the reservation and any repair costs will be charged accordingly.

Use of the courts is at your own risk; management is not liable for personal injury or loss of belongings. Should you detect any potential hazard in court, please interrupt the activity and notify the hotel team immediately. Signing of the terms & conditions document is required for playing.
