This is a scenic drive between Lake Louise and Banff on Highway 1A. The Bow Valley Parkway features many points of interest. Highlights include the geological marvel known as Johnston Canyon, the memorial in honor of Ukrainian internees and the scenery of popular forests, peaceful meadows and the Bow River. It will add an additional half hour onto your journey from Lake Louise to Banff but it is a much more beautiful drive than the main highway. If possible, we recommend driving this road early in the morning or at dusk, as you will be more likely to see the wildlife.

THE ICEFIELDS PARKWAY - HIGHWAY 93 NORTH
One of the most scenic drives in the world, the Icefields Parkway is absolutely stunning. It has been voted the Third Most Scenic Highway in the world by National Geographic. It winds beside serene lakes and rushing rivers overlooking snow-capped mountain peaks and majestic glaciers. Points of interest include the Columbia Icefield, which is the largest mass of ice in the Rocky Mountains, Bow Lake, from which you can choose to hike and further towards Jasper there are the Athabasca Falls. Along the way keep an eye out for wildlife including elk, mountain goats and mountain sheep.

HIGHWAY 1 WEST & YOHO NATIONAL PARK
In the beautiful province of British Columbia just west of us lies the rugged and untouched beauty of Yoho National Park. Accessible by Highway 1 West, Yoho is home to the rich green coloured Emerald Lake and the natural rock formations of the Natural Bridge. Accessible by Highway 1 West, Yoho is home to the rich-green coloured Emerald Lake, the natural rock formations of the Natural Bridge and the incredible power of Takkakaw and Wapta Falls. This is a great option for a half-day outing.

HIGHWAY 93 SOUTH AND KOOTENAY NATIONAL PARK
A popular wildlife corridor, Highway 93 South leads you to the uniquely Kootenay National Park. One of the worst fires in the Rockie’s history ravaged through this area in 2003 but there’s proof that beauty can come from ashes, as the scenery is now a photographer’s paradise. Charred wood juxtaposes vibrant green vegetation and glorious blue waters. Points of interest include Stanley Glacier, Marble Canyon and further south the town of Radium’s famous hot springs. Its hot mineral water is odourless and clear, perfect for a relaxing soak. Kids will enjoy swimming and diving in the cooler swimming pool (27 °C). Visit south-eastern British Columbia’s largest day spa in Radium. See if you can spot one of the bighorn sheep that make this canyon home.
