FAIRMONT BANFF SPRINGS GOLF COURSE
Renowned for its panoramic beauty, Fairmont Banff Springs Golf Course in Alberta is a captivating and challenging course set in the heart of Canada’s Rocky Mountains.

This golf course offers two simple things for the perfect golf vacation. Firstly, a breathtaking view in every direction, and secondly, a magnificent layout that thrills every golfer fortunate enough to spend a day on the green. Amateurs and professionals alike are typically impressed by its panoramic layout. From the actual hole design, to the optical illusions created by the surrounding mountains, this Alberta golf course will delight and challenge your skills.

Stanley Thompson, Canada’s master golf course architect, used his expert talent when he designed the original 18 holes in 1928. The course winds along the Bow River under the snow-capped peaks of Sulphur Mountain and Mount Rundle. In 1989, the course was complemented with the construction of an adjoining 9 holes, designed by Cornish and Robinson, resulting in 27 holes of championship Alberta golf.
