Start class off with some supported long held restorative poses to gently warm up the body. After 30 minutes of movement we will find a supported savasana and begin a 20 minute guided meditation called Yoga Nidra. Yoga Nidra is an ancient style of yoga that helps the practitioner achieve a state of mind between wakefulness and sleep, while enhancing your well-being. This state is similar to lucid dreaming and is often called yogic sleep.

**STRESS RELEASE YOGA (RESTORATIVE/YIN)**
The ultimate relaxation experience. Restorative yoga uses props such as blankets, blocks, and bolsters to support the body in comfortable positions. These longer held supported positions give our bodies the opportunity to let stress, anxiety and tension to melt away ultimately resulting in a healthier nervous system.

**YANG/YIN YOGA (FLOW/DEEP STRETCH)**
Start class off with a gentle warm up and short flow to get energy flowing. The second half of class will consist of longer held stretches to open up and relieve tension in the body. This class is great before or after a day of skiing or snowboarding.

**YOGA NIDRA AND SOUND BATH GUIDED MEDITATION**
This is a guided meditation class where you will use bolsters and blankets to create a meditation nest for yourself to drift away in. Yoga Nidra is an ancient style of yoga that helps the practitioner achieve a state of mind between wakefulness and sleep, while enhancing your well-being. This class is infused with the sound healing benefits of crystal and Tibetan singing bowls. Join us for this healing and deeply relaxing experience.

**LET GO AND LET FLOW**
This yin/yang yoga style class will start off with an energizing flow and then move into the letting go half of class which will consist of slower longer held postures to allow your nervous system to slow down and reset. Walk up and off your mat feeling relaxed and ready to surrender to the flow of our everyday lives.
