Enhancing Your Spa Experience

Start your spa experience the moment you leave your room - whether you choose to arrive at the spa by boat, bike or on foot we recommend that you leave for your appointment at least 1 hour early so you aren't rushed, and so you have time to enjoy all the spa has to offer.

Spa Experience

Willow Stream spa experiences last at least an hour because, as with everything worthwhile, there are no shortcuts to an outstanding spa experience. We're passionate about taking all the time you need to find your energy.

Spa Environment

Willow Stream is an adult sanctuary. Guests must be 18 years of age or older. Cell phones or other electronic devices are not permitted in order to keep the spa area quiet and to protect your privacy. If you need to receive messages during your time with us, please let our spa staff know and we be happy to assist you.

Advance reservations are recommended to accommodate your preferences. Our knowledgeable Spa Experience Coordinators are delighted to tailor the experiences that suit your needs.

Spa Arrival & Etiquette

We recommend you arrive 60 minutes prior to your appointment time to enjoy the facilities and ensure your treatment starts on time. Late arrivals may result in a reduction of your treatment experience. Please come and spend the day with us!

Health Matters

Please inform us of any health conditions at the time of booking (e.g., high blood pressure, heart condition, allergies, pregnancy). Consumption of alcohol before, during or directly after spa treatments is not recommended. You will also be asked to complete a medical history form upon arrival, so we can better customize your experience to your needs.

Spa Attire

You will receive a robe and sandals to wear between treatments and a locker for your personal belongings. Our therapists are highly trained in draping procedures to ensure your complete privacy; however, for your comfort, undergarments may be worn during treatments. Swim suits are required in some areas of the spa.
