

# HYBRID SOLUTIONS

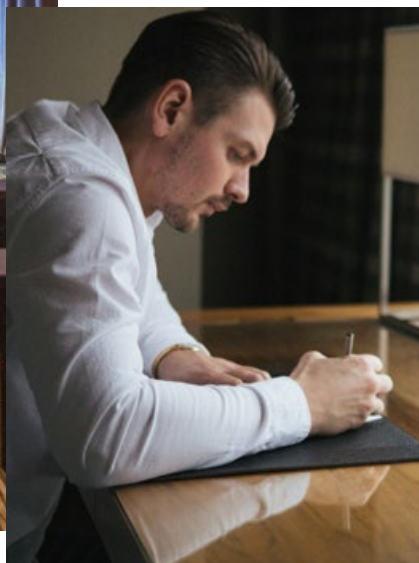

## at Fairmont Pacific Rim

### SMALL MEETINGS, BIG IDEAS

Through innovative technology and strategic set ups, your participants will feel empowered and connected in this ideal environment. In a small meeting room, an in-person conference can incorporate a traditional boardroom table configuration or u-shape, with remote participants. See it in person [here](#).

Starting from \$1,900.00 CAD

### BENEFITS

- > Flexible cost-effective solutions for small groups.
- > Up to 15 in-person attendees with the flexibility to scale as needed.
- > The ability to hold virtual events concurrently across Canada at Fairmont properties in different regions.
- > Ideal for collaboration and direct audio visual communication.
- > Multiple cameras, displays and sound reinforcements to enhance the in-room and remote experience.
- > Easily integrates with custom virtual event platforms.
- > Compatible with common web-based video conferencing solutions.
- > Meet in a comfortable, safe, full-service environment that integrates MeetSAFE™ guidelines.
