

A vibrant Halloween-themed illustration. In the center, a large, glowing yellow full moon is partially obscured by a dark, multi-story hotel building with many lit windows. The hotel sits atop a hill, with a winding path leading up to it. The path is flanked by dark, jagged trees and a small, glowing jack-o'-lantern. In the foreground, a black cat silhouette sits on the left, looking towards the path. To the right, a large, glowing jack-o'-lantern with a witch's hat on top is perched on a decorative wrought-iron fence. The sky is dark blue with scattered white stars and several black bat silhouettes in flight. The overall color palette is dominated by deep blues, purples, and oranges from the moon and pumpkins.
