## ABOUT THE COUPLE

Natasha De Lambert and Sashank Bhavsar met at a mutual friend's party in 2012, and they've been together ever since. Six years later, Sashank arranged a spa day for Natasha and her friends to keep her out of the house. When she returned, Natasha opened the front door to a path of white rose petals leading to the kitchen. On the table sat an iPad and a note with three steps; unlock the iPad with the digits of their first date, watch the preloaded video, and then walk to the backyard. To her delight, once Natasha unlocked the screen and pressed play, Sashank had created a video of their favourite scenes from *Friends* and *How I Met Your Mother*. With tears running down her cheeks, Natasha stepped into the backyard and saw Sashank had covered their deck with rows of vines, flowers, and photos of the two of them. Placed on their backyard table was an engagement ring and a letter, along with a very thoughtful way to include and memorialize Natasha's beloved dog who had recently passed away. The touching tribute included a clay paw print and a Toy Poodle stuffed animal.

Natasha and Sashank tied the knot on August 24, 2019, in Toronto, Ontario. Grace Barbosa-Chin of **EXPRESS YOURSELF WEDDINGS & EVENTS** provided full event planning services and design assistance.
