PARTNERS IN PROVENANCE

Fairmont's Partners in Provenance commitment is born out of respect for local farmers, indigenous agriculture, and a dedication to delivering the highest quality foods. The Fountain Restaurant partners with local farms and purveyors that provide the guests with fresh, seasonal produce throughout the year, such as fresh tomatoes from Riverdog Farm, fresh cheeses from Tomales Bay Creamery and local field mushrooms from King of Mushrooms. We partner with Water2Table as a sustainable local seafood purveyor. The overall concept emphasizes maintaining a seasonal and diverse menu featuring local fare.

Consuming raw or undercooked meats, poultry, seafood, shellfish, eggs or unpasteurized milk may increase your risk of foodborne illness, especially if you have certain medical conditions.
