WHERE SEATTLE CELEBRATES

There is a certain feeling that only the grandest of settings can impart when your guests arrive. The kind that is created by soaring ceilings, sophisticated surroundings and timeless charm, daring you to discuss, to dream, to dance. It's a sensation that signals a day that truly matters.

Since 1924, Fairmont Olympic Hotel has hosted Seattle's most iconic galas, weddings, meetings and conventions. Our 12 event venues—intimate boardrooms and grand ballrooms alike—have paid witness to indelible moments in the city's history. But even with a storied past, our eyes are fixed firmly on the future: forward-thinking catering that draws from the bounty of Puget Sound; modern, urban decor that facilitates creativity; and cutting-edge audiovisual technology that elevates every aspect of your event. And we can't wait to share it all with you.

SPANISH BALLROOM

Surround your guests with the unparalleled grandeur of our Spanish Ballroom, the premier venue for events and meetings in the Pacific Northwest. With ornate details and Italian Renaissance accents, this 5,000-square-foot (464-square-meter) space accommodates up to 650 guests. Palladian windows and decorative Juliet balconies impart touches of romance and elegance, making it ideal for lavish galas and major conventions alike.

SPANISH FOYER

Kick off your event in the Spanish Foyer, a venue as stately as the adjacent Spanish Ballroom. The grand staircase, original 1920s chandeliers and carved oak paneling infuse the area with opulence, providing a picture-perfect backdrop for pre-event cocktails and registration.

THE GARDEN

True to its name, the Garden features sunshine and greenery. A flood of natural light, provided by floor-to-ceiling windows and skylights, instills feelings of serenity and clarity—a distinctly natural setting amid the skyscrapers of downtown Seattle. With space for 230 guests, the Garden is ideal for a daytime reception that gives way to an evening filled with enchantment.

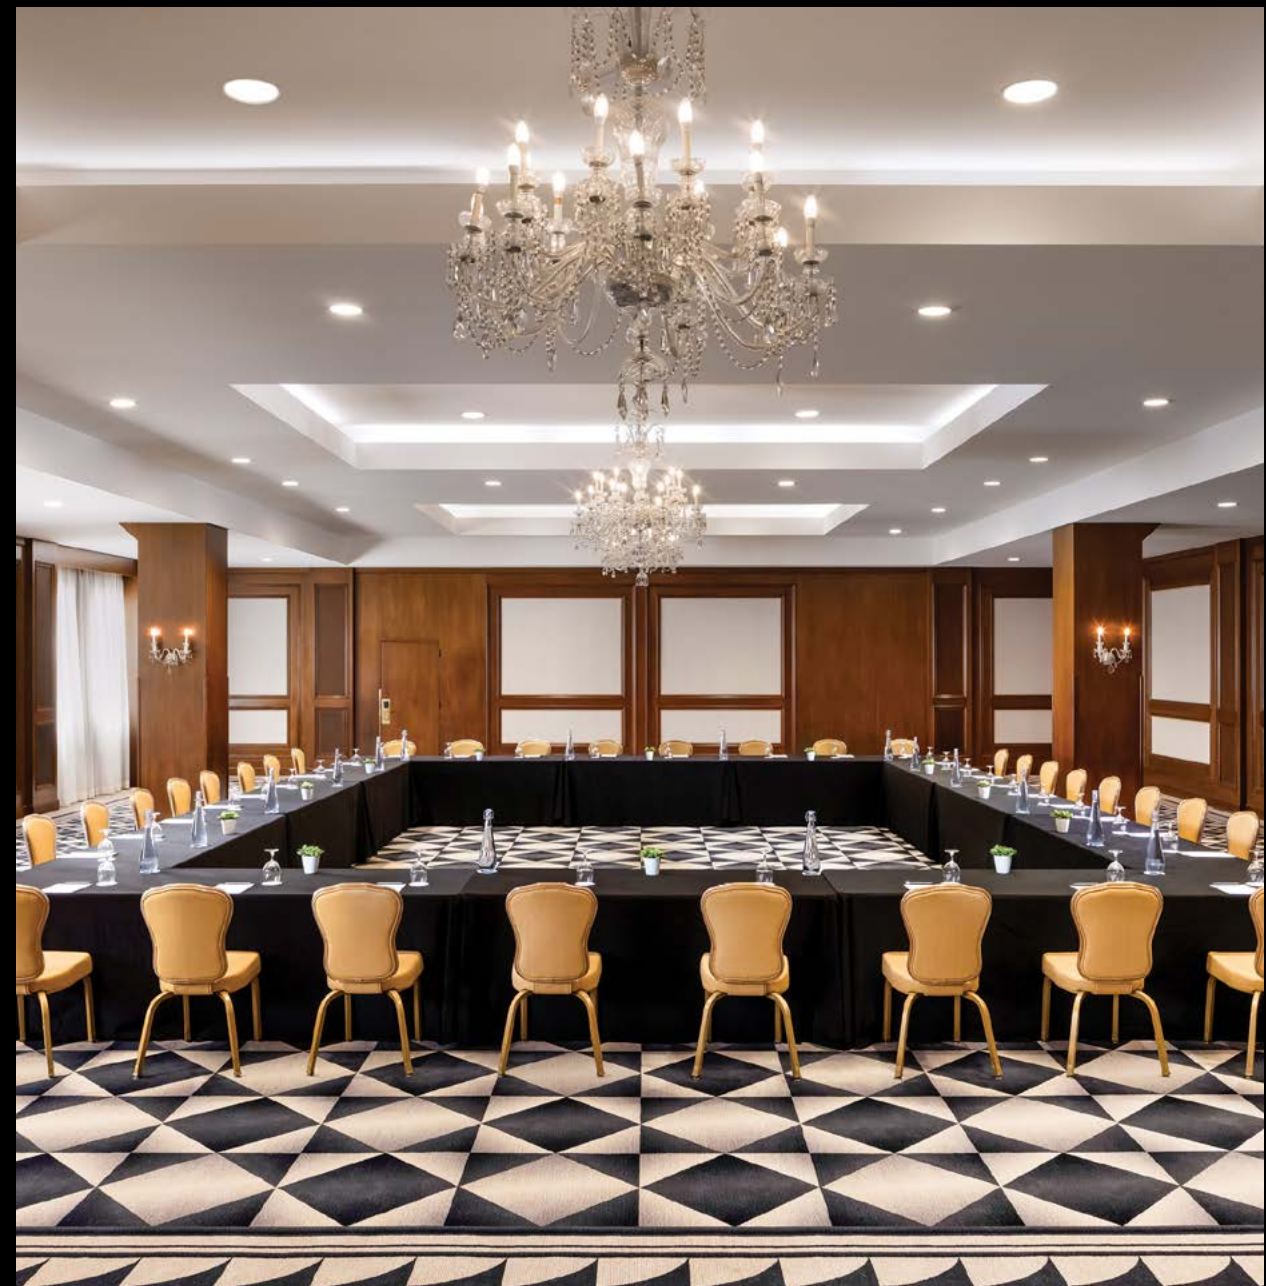

ASSEMBLY ROW

Our five Assembly Row rooms share a sense of occasion, yet each proclaims its own unique character. For the utmost in privacy, the Cabinet room brings together up to 10 guests around a statement boardroom table and wood-paneled walls, while the mid-sized Council, Parliament and Senate rooms add more space for meeting and mingling. Boasting room for 150 guests, the classical decor of the Congress room is sure to spark conversation and curiosity during receptions and cocktail hours.

MEZZANINE

The Mezzanine showcases the personalities of four utterly distinct rooms—Kensington, Windsor, Belvedere, and St. James. Each room is arranged for intimate gatherings of up to 16 guests, while the Kensington room can accommodate up to 40. Featuring bold design and floor-to-ceiling windows that flood the spaces with natural light, the Mezzanine rooms provide a private oasis situated just above the bustling lobby.

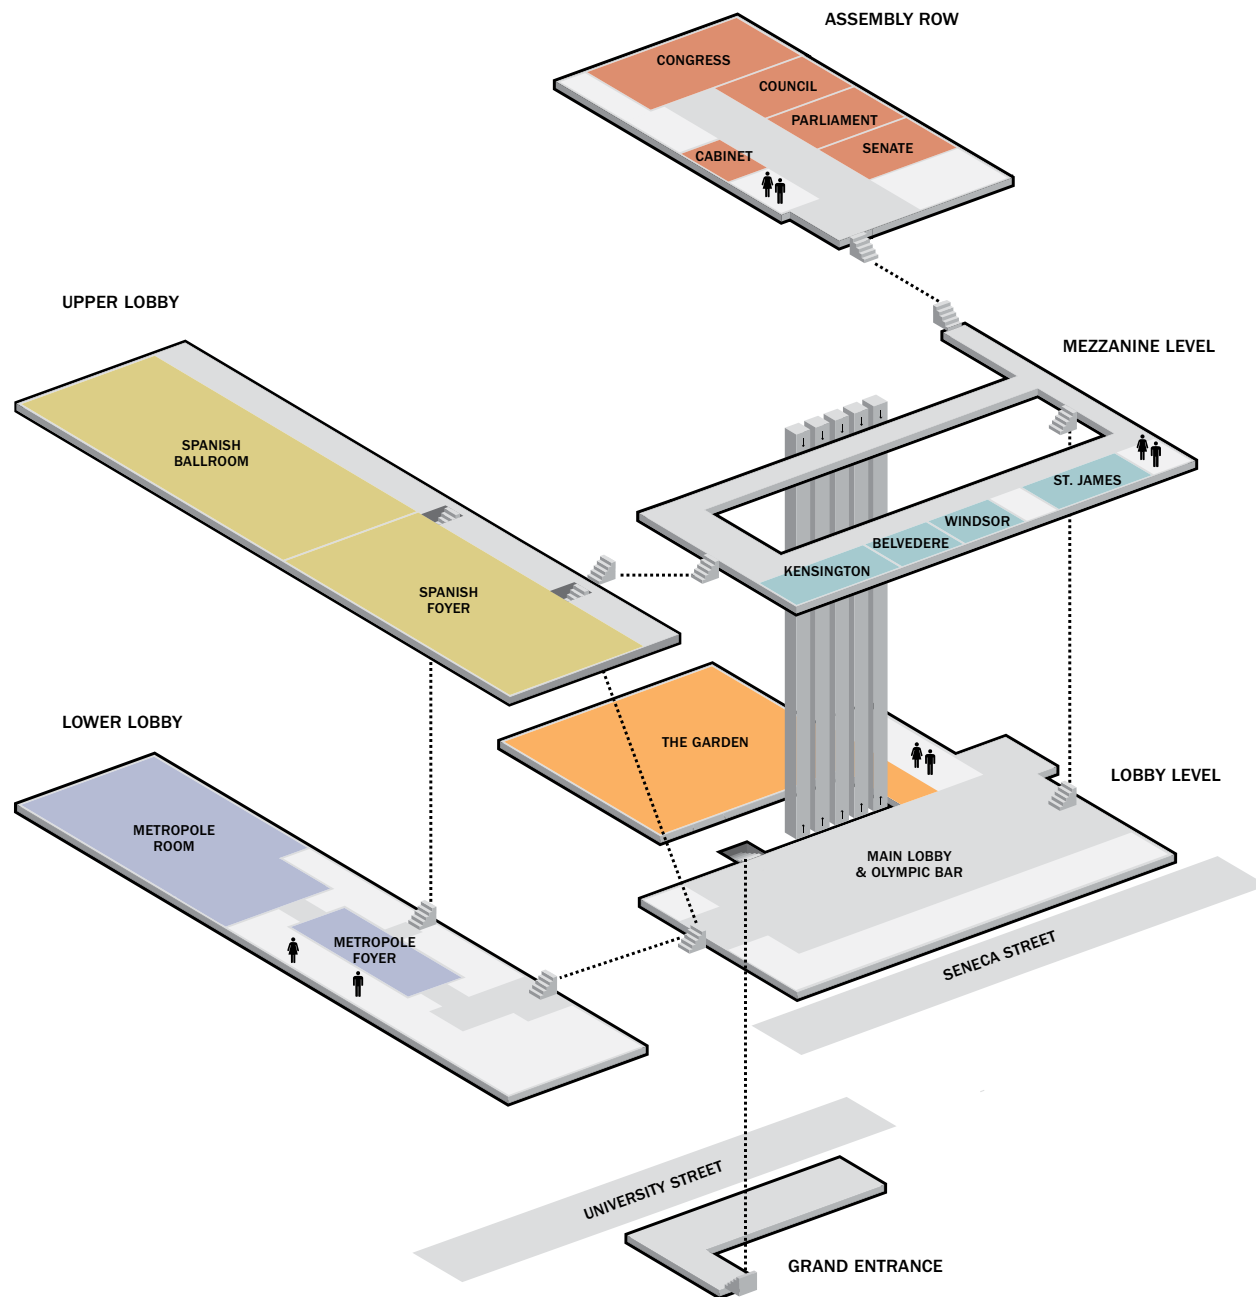

METROPOLE

The Metropole room—our cosmopolitan junior ballroom—lends a personal touch to even the most sprawling of events. An elegant foyer invites you into a space of sophistication, featuring private bathrooms for convenience. Inside the Metropole, marble counters and oak-lined walls add warmth and wonder, leading to a lower level illuminated by recessed lighting and crystal chandeliers. With 4,000 square feet (371 square meters) of flexible space, it comfortably accommodates up to 300 guests, making the Metropole room well suited to any social event or corporate gathering.
