Dear Guest,

We hope that this email finds you and your family healthy and safe. Please know that our top priority remains the safety, care and wellbeing of our **Fairmont SouthamptON** family. With that in mind, wanted to share an update on the latest regarding Bermuda.

The Bermuda Government has announced L.F. Wade International Airport opened for international commercial air service on July 1, 2020. That said, considering that flights are extremely limited and given the protocols in place for arriving visitors ([click here for more](#)), Fairmont SouthamptON has regretfully made the decision to not accept reservations prior to **September 1, 2020**.

If you have any questions or concerns please contact us at southamptON@fairmont.com. Please follow us on our website Fairmont.com/SouthamptON and social channels listed below for latest updates.

On behalf of our team, we wanted to thank you for choosing Fairmont SouthamptON. We look forward to welcoming you when you can truly enjoy our beautiful island!

Please stay safe and healthy!

Best Wishes,

Fairmont SouthamptON Team
